

SAVALI – A Shelter for Care

➤ INTRODUCTION

SAVALI is a registered charitable trust working for the Mentally Retarded and Cerebral Palsy children and adults. It is non-profitable and non-governmental organization. SAVALI is working for these under privileged individuals for last more than 25 years. This is the first lifelong center not only in Maharashtra but Probably in India, where all the facilities are provided under one roof. SAVALI insitute is located at Kothrud-Pune and is having its own building of 850sqft built up area.

SAVALI has gained the trust and confidence of the parents,government institutes,well wishers and donors by its devotional work. The insitute as received recognition from various Government and Non-Government organizations for its work. The institute has also received many awards including 5 National Awards

➤ HIGHLIGHTS

- **Date of Visit:**
- **College visited:** Indira Institute of Management, Pune
- **Visited by :** Team A1 First year MBA
- **Overall Observation:**

At center, one from the [local community](#) has been appointed to teach and take prime care of the childrens. During the visit we met and had talks with the community people and all the childrens who showed their great interest. We made lot of handmade toys, greeting cards, flowers etc for them. We also made few flash cards for the childrens to teach them about different animals and birds. We had amazing experience there , we remember each and every moment spent with the kids, and with savali, also with the people there..
