Introduction:

Internal Complaint Committee has been constituted by the Director with the powers vested in him/her by the Governing council of Indira Institute of Management as per the Governing Council meeting held on 30th July 2020 to address Internal Complaint Committee (ICC) activities with the broad purpose of creating a fair workplace with gender equality. The cell is especially created to prevent or deter the commission of acts of gender inequality and sexual harassment and to provide the procedure for the resolution, settlement or prosecution of acts of sexual harassment and gender biases by taking all steps required.

Objective of the Committee:

To help plan, implement, and monitor the initiatives which would help build an organization without gender biases, inequality and sexual harassment.

5.13 Establishment of Committee for SC/ ST

About SC/ST Cell:

The University Grants Commission (UGC) has given priority to the downtrodden students and staffs during IX plan period and given direction to all the universities to establish SC/ST Cell.

Since its inception, Indira Institute of Management PGDM, under the able leadership of Mr. Krushna Prasad Mishra, has been working consistently for the promotion of sustainable, equitable and participatory development, social welfare and social justice. With this objective along with the guidelines stated by UGC, Scheduled Caste and Scheduled Tribes Cell (SC/ST Cell) was set up in the institute.

The main aim of the Cell is to monitor the guidelines issued by the University Grants Commission from time to time. The Cell ensures the effective implementation of the reservation policies in the university admissions to students in various courses of studies, accommodation in the hostels, appointments to the teaching and non-teaching posts, and maintains a register in the institute.

Objectives of SC/ ST Cell:

- 1.To implement the reservation policy for SCs/STs in the institute.
- 2.To take such follow up measures for achieving the objectives and targets laid down for the purpose by the Government of India and the UGC.
- 3.To implement, monitor and evaluate continuously the reservation policy in the institute and plan measures for ensuring effective implementation of the policy and program of the Government of India.

- **Soft Skill Development Facilities:**

Comprehensive Career and Leadership Development Program is the hallmark of teaching learning process at Indira. The program has been developed for students to bridge the gap in university curriculum and at the same time ensure delivery of inputs required for attaining POs. Indira Institute of Management PGDM believes in the holistic development of the students and although the academic calendar forms the basis of the agenda, abundant stress is given to co-curricular activities. In order to mould productive and result oriented managers of the future, IIMPGDM conducts the CLDP, which is taught concurrently with the main program. Unique and innovative co-curriculum activities are conducted at IIMPGDM which focus on the extra edge that students need in their personality to succeed in a competitive environment.

IIMPGDM owes its gratitude to the Indian Industry for consistently collaborating with us in our endeavour towards adding value to our students by helping us create customized programs for the students. Renowned industrialists visit us and tremendously enhance the learning of our students, by sharing their vast knowledge and experience. These objectives have enabled us to foster strategic alliances with industry which have translated into knowledge enhancing initiatives at IIMPGDM, in collaboration with the Industry.

Some such required skills and corresponding initiatives are mentioned as under:

- Industry Linkage

a) Industry Needs from the Alumni: Alumni meet, organized as part of Annual Day Awards function and frequent interaction in the form Panel discussions and inputs arranged for CLDP, is a source of understanding industry trends. The Alumni are identified and invited by the Learning facilitators of each specialization along with the help of VP-Alumni- member of the Student Council. These visits to the campus on multiple occasions help students to prepare themselves for the corporate world.

b) Internships and Winter Projects for Students: Students work in companies as interns for their summer internship programs during the months of May, June & July. For summer internship programs, every student is allotted a faculty member as their internal guide. Students discuss the work environment, the kind of work handled by them during their internship and discuss the requirement gathering needs and tools for the project with their faculty guide. Students are in continuous association with the faculty and faculty in turn keeps a check on the student's association with the company and industry guide under whom they report during the said time period. IIMP also encourages the students to take up industry sponsored winter projects especially for HR specialization. This is done to help students have real life experience of the corporate world.
